Elementary
Week 4

“Follow the pattern of the sound words that you have heard from me, in the faith and love that are in Christ Jesus. By the Holy Spirit who dwells within us, guard the good deposit entrusted to you.” 2 Timothy 1:13-14

I did a Bible Study on this when I first began to work in ministry. It was extremely helpful, at Flatirons we often say, “What part of God’s kingdom has he entrusted you with?” I feel like after you find the answer to that question, these verses are the next steps. Once you ponder this have this conversation with yourself:

Cool, you are entrusted with _____ now how are you going to not only follow Christ’s example and lead in this area but also take good care of, and guard the treasure that has been entrusted to you?

What part of God’s Kingdom have you been entrusted with?

How do you follow his example?

How can you guard the precious treasure and cultivate what God has given you?
