

## **Good God - Pleasures Forevermore**

August 20-21, 2016

### **Community:**

1. What is your favorite part about going to amusement parks? What is your favorite place to go?
2. Where do you find the most pleasure in your life? Why do you think God gives us each ways to experience pleasure differently?

### **Core:**

1. Do you think God is honored by us seeking pleasure? How do you seek pleasure?
2. **Read Psalm 16:11.**
3. Why do you think God created us to have such a large capacity for pleasure? Is it hard to picture God wanting us to have pleasures forevermore? Why or why not?
4. **Read Ecclesiastes 3:11.** What do you think it means that God has set eternity in the hearts of men?
5. **Read Ecclesiastes 12:8.** Can you relate to Solomon's pursuit of pleasure and realizing what you were chasing after wasn't fulfilling? How so?
6. **Read Matthew 13:44, Psalm 16:6, and Psalm 16:11 again.**

### **Challenge:**

After reading those verses, do you believe that the God who created this world, the universe, the God who created everything good, has a plan for you, and joy for you that you can't even fathom? Take some time each day this week, read through those verses again, and pray (and journal if you want) about where you feel God taking you, and what still needs to change in your life to line up with His good plan.
