

He's With Me - Excellent Environments

October 1-2, 2016

Community:

1. Did you look into doing something with the gifts God's given you since last week?
2. What would you say is the most "excellent" part of church at Flatirons each week?

Core:

1. **Read: Psalm 23:6.** If you have turned your life over to Jesus, how is "goodness" seen or experienced in your life now?
2. Why do you come back to Flatirons week after week?
3. **Read: 1 Cor. 10:23-24.** What do you think are some "lawful" things that just aren't helpful or beneficial to everyone at church?
4. In your experience, what are some practices or beliefs (not found in the Bible) that got in your way of connecting with Jesus?
5. **Read: 1 Cor. 10:25-30.** When you read this, where do you see this being applied, in this day and time?
6. **Read: 1 Cor. 10:31-32.** How have you "been offended" (or have offended someone else) by the way you (or your church) was worshipping Jesus?

Challenge:

Take some time this week to pray and meditate, asking God to help you find a way to "take the awesome life of Christ" to some of the "lost and broken" people in your world.
