

He's With Me – You Prepare a Table Before Me

September 24-25, 2016

Community:

1. Do you have a TV show you watch that people would think is crazy like Jim watching "Doomsday Preppers"? What is it?
2. How has this series changed the way that you look at the values in your life?

Core:

1. **Read Psalm 23.** Have you seen recently that God has made your "cup overflow"? What do you think that means?
2. Our job is to prepare a table where people can come to taste and see that the LORD is good. How do you do this?
3. **Read Romans 12:6-8 and 1 Corinthians 12:8-10.** What gifts out of those do you have? Do you use them?

Our 5th value is Gifted Service which means that we are committed to being the kind of people who reflect both the purpose and the personality of Jesus by leveraging the gifts Jesus has given us for the benefit of others both inside the church and outside the church.

4. How do you leverage your gifts to benefit the people around you, not just at church, but outside of it as well?

Challenge:

Jim ended the service by having us say,

"I need to serve somewhere.

I need to give something.

I need to help someone,

So that everybody has a place at this table."

What do you need to change in order to do all of those things? What is holding you back from doing all of that?
