

Kingdom – The Big 3
Weekend Discussion Questions
May 16-17, 2015

Community:

1. Are there places in your life where you put on a show? If so, where and for whom?
2. This series, entitled “Kingdom”, focuses on the “*kingdom of God*.” Do you view your role—and your part—in God’s kingdom differently than you did four or five weeks ago?

Core:

3. **Read Mark 12:38-44.** What type of person can in faith, give all that they have and trust God to take care of them? What would it take for you to actually give everything to God?
4. Scott said this weekend our interaction with God is relational not transactional. How do you relate with God?
5. If you are really willing to say, “Here is my heart, speak what is true,” what do you think Jesus would say is true about you?
6. The phrase “be careful,” was a nautical term that meant, pay attention to where you are headed. If you were to take a 40,000 foot view of your life, where are you headed?
7. Jesus is saying that it isn’t bad looking for a reward, He is focusing on WHO you are seeking the reward from. Who do you seek rewards and respect from?

Challenge:

If you lived out of the statement ‘I am enough’, instead of ‘am I enough?’:

- What would be different in your life?
- What would have to change?
- What would change in the people’s lives around you?
