// Community Questions

1. What would be some of the songs on your soundtrack for your life?

// Core Questions

1. Do you ever ask God to do for you what you refuse to do for other people?
2. What relationships in your life would benefit if you switched from how you have been approaching them to a “yoke up with me” type of approach?
3. Are you willing to respond to the people in these relationships in the same way that God constantly responds to you?
4. What might have to change IN YOU before anything can ever change between you and the person/people in those relationships?
5. Who in your life needs you to respond to them in the same way that God has responded to you (constantly inviting you to yoke back up with Him)?

// Challenge

The two truths from this series, so far, are:

Truth #1: God is in control and we are not.

Truth #2: God’s response to me when I fail, when I’m tired and overwhelmed, is to invite me closer, not to punish me or leave me behind. This is the same response that the people in my life need from me.

Take some time this week to really thinking about these truths. Write them down. Memorize them. Contemplate where you can apply them. Pray through them and ask God to help you believe them more. And then come back next week to hear truth #3!
