### // Challenge

The church is not a specific building, organization, music style, or pastor. The church is the people that make it up and are all running after Jesus together. There is the big “C” Church, which is made up of all believers worldwide. Then there are local churches, like Flatirons, which are made up of people who call that particular congregation home. So, suppose you call Flatirons your home church. In that case, you are agreeing to align yourself with Flatirons’ mission because you *are* Flatirons.

This week, think about whether you are on board with the mission that Flatirons Community Church has, and whether you want to partner with the other people of Flatirons in running after it. Pray through it and ask God to reveal your part in it and what you can be doing to further the mission of Flatirons. The rest of this series will continue to lay out our values and priorities. So, if you don’t have all the answers yet, that’s ok! Just keep tuning in to see what Flatirons is all about and what we believe God has called us, specifically, to do in the world!
