#### // Discussion Questions

1. Pick a big, important area of your life that isn't going as you want it to right now (finances, marriage, parenting, sexuality, etc.). Based on your actions in that area, what is the “operating system,” or belief system, that has been running that area?
2. KNOW:
  - a. What do you currently know about how your belief system in this area is different than what the Bible says?
  - b. What is your current plan to learn more about what the Bible has to say in regard to this area, as well as other areas in your life (attend church, Bible study, books, etc.)?
3. GROW:
  - a. Do you have trouble believing that what the Bible says about certain areas (marriage, forgiveness, sexuality, joy, etc.) is true for you?
  - b. If yes, why do you think that it is so hard? (Maybe it has something to do with how you were raised, other past experiences, good and bad, etc.)
  - c. Are you willing to let go of your current belief system and hold on to what the Bible says? Why or why not? What is at risk, or what bad thing *might* happen, if you do that?
4. SHOW:
  - a. What are you currently doing to serve those around you?
  - b. Where in your life do you see *evidence* that you have grown based on what the Bible says?
5. In general, where would you place yourself on the Spiritual Formation scale (KNOW>GROW>SHOW), keeping in mind that some areas may be further along than others?
