

### **Group Overview:**

We engage in pop culture through music every day. We believe that even in today's music, we can see Jesus when we look for Him. In this series, *Summer Soundtrack*, we take some popular songs that everyone would know by heart and unpack the biblical truth in each of them. Today we hear from Christian, our Young Adult Director, as he talks about forgiveness.

### **Ice Breaker:**

Would you rather relive the same day for 365 days or lose a year of your life?

### **Discussion Questions:**

1. In your own words, how do you define forgiveness?
2. How have you experienced the power of forgiveness in your own life?
3. How have you seen holding a grudge affect you or the life of somebody else?
4. How would you describe the way that God has extended forgiveness towards you?
5. Do you struggle with knowing or believing that God has forgiven you in any part of your life? What do you think God wants to say to you about that?
6. Is there any part of your life where you struggle with forgiving yourself for something?
7. Who is somebody in your life that you need to extend forgiveness towards? What is one step you could take in order to do that?

### **Prayer:**

Go around the table and talk about prayer requests. Make sure to write them down and then pray all together.
