“Jesus Wrecks Society” – Wreck The Halls

December 7-8, 2019

Group Creed

We come together as a Group with the goal of Spiritual Formation; encouraging one another to become the same kind of person that Jesus is, so that we can live out every part of our lives inside of His Kingdom.

// Bible References

Mark 5:21-34

// Community Activity

Play the label game! Someone write names of celebrities, fictional characters, etc. on index cards. Tape one label to the head of each person without them seeing who they got. They are now this person, even though they don't know who it is. Then have everyone walk around the room asking yes or no questions until they can guess who they are.

// Core Questions

1. Did any of the labels Jesse used as examples resonate with you?
2. What other labels have you been carrying around with you throughout your life?
3. What labels are you guilty of putting on others so that you can write them off or justify not caring about their stories?

// Challenge

Like Jesse said, maybe all you needed to hear this week was that God doesn't define you by whatever label the world has placed on you. Jesus sees the story behind the label. On the other hand, if you are particularly guilty of labeling people that think differently than you, or you are upset with, or don't understand, try this week to be aware of that. Awareness is the first step in changing your behavior. If you have the courage, strike up a conversation with someone you would normally put a label on. Try to learn something about them and get to know the story behind the label, just like Jesus does.
